EXPERIENCE

- **GULF CONSULT ARCHITECTS AND ENGINEERING** as BIM MODELER from 04/2024-Present. Al Khobar, Saudi Arabia. BIM manager and Assistant manager: ABDULLAH AMIR AL GHERAIRY, Contact: (+966)583373373.
- **FOUAD AHMAD ENGINEERING CONSULTANT**, Training as Architect Draftsman from 05/2023 - 08/2023. Dammam, Saudi Arabia. Contact: FOUAD AHMAD AL BAHRANI (+966)138278889, (+966)545919858.
- **SAUDI ARAMCO**, Cooperative from 06/2022 - 08/2022. Dhahran, Saudi Arabia. Supervisor: Alzamil, Nouf A.

EDUCATION

- **Diploma, Technical and Vocational Training Corporation** 09/2020-08/2022, Dammam, Saudi Arabia. Specialty: ARCHITECTURAL CONSTRUCTION, GPA: 4.93/5.

PROJECTS

- NUPCO ASIR MEDICINE FACTORY. - BIM MODELLER AND DETAILER
- NEOM PIONEER EXPANSION CAMP - BIM MODELLER AND DETAILER
- NESMA CAR PARKING BUILDING - BIM MODELLER AND DETAILER
- RED SEA TURTLE BAY VILLAGE - BIM MODELLER AND DETAILER
- SCITRA INDUSTRIES (ZAIN) - BIM MODELLER AND DETAILER
- NEOM MOUNTAIN VILLAGE (INDOOR SPORTS AND DINING FACILITY) - BIM MODELLER AND DETAILER
- QIDDIYA WORKER CAMPS 1-4 AND 5-8 - BIM MODELLER AND DETAILER

ROLES

- **Architect Draftsman**
 - o BIM Modeling: Responsible for creating comprehensive 3D BIM models utilizing industry-standard software such as Autodesk Revit, emphasizing precision and compliance with established project criteria.
 - o Detailing and Documentation: Preparing meticulous construction drawings and associated documentation derived from BIM models. All outputs must align with industry standards and project specifications, encompassing accurate dimensioning, annotations, and pertinent details.
 - o Collaboration with the design team in architectural endeavors by evaluating and ensuring adherence to applicable standards, guidelines, and project requirements, thereby contributing to superior quality and efficient design outcomes.
- **BIM Modeler**
 - o Engage in the development of exact 3D models through the utilization of BIM software.
 - o Foster collaborative relationships with engineers and architects during the data exchange process.
 - o Identify and address potential conflicts or clashes within the design framework.
 - o Uphold and implement BIM standards rigorously.
 - o Conduct thorough evaluations of the quality of BIM models, among other responsibilities.
 - o Delivery LOD100 (Concept), LOD300 (Detail Design), LOD300 (IFC), LOD400 (Shop drawing). LOD 500 (As-built) model in REVIT.
 - o Prepare and deliver 2D AND 3D drawings and documentation extracted from the BIM model.
 - o Generate schedules, quantities, and other data from the BIM model to support cost estimation and project planning.

TRAINING COURSES

- Level 1 Collaboration Essentials Course (05/2025) - Training Provider: Revizto Academy.
- Introduction to ISO 50001 (05/2025) - Training Provider: The Saudi Council of Engineers.
- Saudi Building Code SBC 201 (01/2025) - Training Provider: The Saudi Council of Engineers.
- REVIT MEP PROFESSIONAL (11/2024) - Training Provider: CAD MASTERS.
- MSI IP-02 e: PHISHING (SAP) (07/2022) - Training Provider: SAUDI ARAMCO.
- New Employee Safety Orientation (07/2022) - Training Provider: SAUDI ARAMCO.
- Fire Safety Awareness (07/2022) - Training Provider: SAUDI ARAMCO.

CERTIFICATES

- REVIT MEP PROFESSIONAL from AUTODESK (11/2024) confirms you have successfully completed a course at an Autodesk-authorized training center that satisfies your training requirements.
- Certificate of Appreciation from SAUDI ARAMCO (08/2022) for participation in the VCIP competition during the 2022 Vocational College Internship Program.
- Certificate of completion from SAUDI ARAMCO (06/2022 - 08/2022) to acknowledge completing the Vocational College Internship Program and thank him for his dedication and contribution during his assignment with SAUDI ARAMCO.
- Certificate of Appreciation from SAUDI ARAMCO (06/2022 - 08/2022). Has completed the COOP Training program with Office planning, design, and project Division.
